

Agenda for the EURGen-RefLabCap

DATA for ACTION workshop^{3rd}

Meeting 17 September 2024

At the Technical University of Denmark (DTU),
Building 358, room 021, Kgs Lyngby

17 September 2024			
TIME		TOPIC	SPEAKER
8:15		Bus transport from Wakeup hotel Borgergade to DTU, building 358	
09:00	09:05	Welcome and programme of the day	René Hendriksen, DTU
09:05	09:15	Meet and greet	René Hendriksen, DTU
Genomic surveillance in Europe			
09:15	09:30	EURGen-RefLabCap pilot genomic surveillance studies	Ana Rita Rebelo, DTU
09:30	09:45	Considerations for selection of AMR isolates for WGS in public health contexts with examples related to CRE	Marius Linkevicius, ECDC
09:45	10:05	EpiPulse – access and use	Marius Linkevicius, ECDC
10:05	10:45	Collaboration chat & Coffee break	
Data for action			
10:45	11:00	Introduction and objectives of the break-out session and moving into groups	René Hendriksen, DTU
11:00	12:15	Break-out session on “Genomic data for action”	
12:15	12:30	Plenary: Conclusions of the break-out session	Facilitator: René Hendriksen, DTU
12:30	13:00	An ISO-certified genomic workflow for AMR surveillance	Norelle Sherry, University of Melbourne
13:00	14:00	Lunch	
Digital infrastructure			
14:0	14:30	MicrobeSeq: functionality and modernisation of data infrastructure in Denmark	Berit Lilje, SSI
14:30	15:00	Coffee break	
15:00	15:10	Introduction and objectives of the break-out session and moving into groups	René Hendriksen, DTU

15:100	15:45	Break out session on "Digital infrastructure"	
15:45	16:00	Plenary: Conclusions of the break-out session	Facilitator: Anders Rhod Larsen, SSI
16:00	16:20	ECDC Virtual Academy (EVA) - The online learning platform of the European Centre for Disease Prevention and Control	Rodrigo Filipe, ECDC
16:20	16:30	Closing and farewell	René Hendriksen, DTU
16:30		Bus transport from DTU to the Wakeup hotel Borgergade
