

**Agenda for the 3rd EURGen-RefLabCap
Network Meeting 18-19 September 2024**
**At the Technical University of Denmark (DTU),
Building 358, room 021, Kgs Lyngby**

DAY 1 – 18 September 2024			
TIME		TOPIC	SPEAKER
12:15		Bus transport from Wakeup hotel Borgergade to DTU, building 358	
13:00	13:10	Welcome and setting the scene	Birgitte Helwigh, DTU
13:10	13:30	The purpose of the project and expected outcomes	Velina Pendolovska, Commission (virtual presentation)
13:30	13:45	Overview of activities and outcomes during the project	Birgitte Helwigh, DTU
13:45	14:00	ECDC genomic surveillance of carbapenem-resistant Enterobacterales: status and ongoing activities	Marius Linkevicius, ECDC
14:00	14:15	<i>ECDC genomic-based survey of carbapenem-resistant Acinetobacter baumannii in Europe, 2024–2025</i>	Pete Kinross, ECDC
14:15	14:40	Carbapenemases in Enterobacterales in the EU/EFTA food chain”, where are we?	Beatriz Guerra, EFSA
User surveys 14:40 - 15:20			
		Overview of the EURGen-RefLabCap surveys	Camilla Coia, SSI
		Break-out session on "User surveys"	
15:20	15:50	Coffee break	
Simulated outbreak exercises 15:50 - 16:30			
		Concept of the simulated outbreak exercises and available material	Faisal Ahman Khan, DTU
		Break-out session on "Simulated exercises"	
WGS protocols 16:30 - 17:10			
		Presentation of the developed WGS protocols and other available material	Valeria Bortolaia, SSI
		Break-out session on "WGS protocols"	
17:10	17:30	Plenary: Conclusions of the break-out sessions	Facilitator: Valeria Bortolaia, SSI
17:30	17:40	Rounding up the day	Camilla Coia, SSI
18:00		Bus transport from DTU to Tivoli for dinner	

Day 2 - 19 September 2024			
TIME		TOPIC	SPEAKER
08:45		Bus transport from Wakeup hotel Borgergade to DTU, building 358	
09:30	09:40	Introduction and recap of yesterday	Birgitte Helwich, DTU
Cross border collaboration four EURGen pathogens			
09:40	09:50	Introduction to the break-out group discussions	Ana Rita Rebelo, DTU
09:50	10:20	Group discussions	
10:20	10:40	Plenary: Conclusions of the break-out session	Facilitator: Ana Rita Rebelo, DTU
External quality assessments			
10:40	11:00	Presentation of results from the #3 EQA	Faisal Ahman Khan, DTU
11:00	11:30	Coffee break	
11:30	12:30	Plenary: Discussion on the usefulness of the EQAs with interactive questions	Facilitator: Ana Rita Rebelo, DTU
Examples of impact of the project on national laboratory capacity and how to move forward beyond the project			
12:30	12:35	Introduction	Ana Rita Rebelo, DTU
12:35	13:10	Country presentations	TBC
		Estonia	Liisa Lilje
		Romania	Brandusa Lixandru
		Slovenia	Mateja Pirš
		Spain	Silvia Garcia Cobos
13:10	13:20	Plenum discussion and questions	Facilitator: Ana Rita Rebelo, DTU
Moving forward			
13:20	13:30	Presentation of the EURL-PH AMR	Anders Rhod Larsen, SSI
13:30	13:40	Presentation of the JAMRAI 2 project	Asja Kunøe, SSI
13:40	13:50	Next steps in the GenEpi-BioTrain	Valeria Bortolaia, SSI
13:50	14:00	Summing up and farewell	Birgitte Helwich, DTU
14:00	14:30	Lunch	
14:30		Bus transport from DTU to the Wakeup hotel Borgergade
