

EURGen-RefLabCap

**Physical workshop
21-22 June 2023**

Organisation of physical and virtual training courses and exercises

This is the second of two physical workshops directed at priority countries and additional countries to be held during the EURGen-RefLabCap project period. The workshop will focus on the topic “train-the-trainer” and it will include sessions that promote the development of pedagogical and didactic capacities. The workshop will focus on the practical organisation of physical and virtual training courses, exercises and workshops.

The workshop will be held **physically at the Technical University of Denmark** (DTU) on **21 and 22 June 2023**.
